Products

To Market® warrants its Ozoloc Products to be free from manufacturing defects for a specified length of time from the date of purchase as set forth below.

Installation

This warranty covers materials and reasonable labor costs if professional installation was paid for when the floor was originally installed; provided that such floor is installed according to the Ozoloc Technical & Installation Guide. This Guide is revised periodically and floors must be installed according to the current Guide at the time of installation. Please check our website for the current Guide.

Replacement/Repairs

To Market reserves the right to repair any floor and/or to use its own source to obtain an installer for replacement flooring. If To Market repairs or replaces a floor as a result of a warranty claim, you will be required to clear, at your own expense, any items placed over the affected areas subsequent to the original installation. In the event that To Market repairs a floor, this warranty shall remain in effect with respect to such floor.

This warranty covers manufacturing defects, delaminating, loss of original pattern and color due to staining, fading or wear, when the flooring is subject to normal residential and/or commercial use, provided the flooring covered by this warranty is installed and maintained according to the instructions included in the sold package.
